IN THE

SUPREME COURT OF THE UNITED STATES

October Term, 1952

Office - Supreme Court, U.S.
FILED
DEC 31 1952
HAROLD B. WILLEY, Clerk

UNITED STEELWORKERS OF AMERICA, CIO, LOCAL 2286, UNITED STEELWORKERS OF AMERICA, CIO, LOCAL 4498, UNITED STEELWORKERS OF AMERICA, CIO, Petitioners	No. 523
v.	MOTION TO DISPENSE WITH PRINTING
UNITED STATES OF AMERICA, AMERICAN LOCOMOTIVE COMPANY, INC. Respondents	

Petitioners hereby move this Court for permission to dispense with the printing of the record herein in connection with the petition for certiorari.

In support of this motion petitioners show as follows:

1. The order of the District Court in this case was entered on December 29, 1952. Notice of Appeal was filed on the same day. On December 30, 1952, the record was filed and the case docketed in the Court of Appeals for the Second Circuit. The record, which was not printed in the Court of Appeals, was filed in this Court on December 31, 1952, at the same time as the petition for certiorari pursuant to 28 USC § 1254(1). Time has obviously been too short to permit printing of the record in this Court prior to the filing of this motion.

2. As stated in the petition for certiorari and the motion to expedite consideration, filed herewith, the order which we seek the Court to review here will, under the terms of the statute, become moot on or before March 2, 1953.

3. The Clerk of the Court has informed counsel for petitioners that the Court will hear argument in the two weeks beginning on January 5, 1952, and for one week beginning on February 2, 1952, and then plans to recess for one month. Any delay in the consideration of the petition for certiorari in order to allow time for the Clerk to print the record will, therefore, substantially preclude this Court from determining whether to grant certiorari in time for the case to be argued and determined prior to March 2, 1952.

4. Counsel for petitioners have submitted to the Clerk 10 mimeographed copies of the record, identical with the record certified by the Clerk of the Court of Appeals, for use by the Court in consideration of the petition for certiorari if this motion be granted. The opinion of the District Court has been

printed as an appendix to the petition for certiorari.

5. Counsel for petitioners will immediately deposit with the Clerk the amount of the estimated fees and printing costs for the preparation of the printed record so that, if certiorari is granted, the record will be printed for use by the Court in consideration of the case on the merits.

Respectfully submitted,

ARTHUR J. GOLDBERG
